## Hey all!

*Sorry for the late release. This is the third bulletin of the Circle K year highlighting some important events from the past two months. Enjoy!*

# MEMBER AWARENESS CONFERENCE (MAC)

*"Although the weather decided to be wet and chilly, Camp is always a sunny place. It's always so great to see other Circle K members from around our District to come together, hang out, and do service. I love every District event that I attend, in large part, due to the beautiful people of WUM." – Kailyn Longueville*

*"Attending MAC at Camp Wawbeek was a blast! I had the pleasure of cooking lunch on Saturday and shaving Brandon's head later that night for the St. Baldrick's Foundation. It was also great to see old friends from other clubs in the district." – Caitlin Krause*

**Also shout out to Bobby King for shaving his head and raising \$100 for St. Baldrick's!**

# 24-HOUR SERVICE DAY
