St. Luke's Food for Soul

UW-Platteville has an ongoing mission to serve the Soup Kitchen of St. Luke United Methodist Church in Dubuque. At St. Luke's Soup Kitchen, we work 3:00 pm - 7:00 pm preparing, serving, and cleaning after a meal that serves ~100 people. We have been serving with them for several years now, making it a monthly to bi-monthly event. Seeing the need, our club has hosted a pie-in-the-face fundraiser, raising over \$100!

We truly believe that this project is the most meaningful for our members. We travel outside of our local community into someone else's. Our work is direct and appreciated among those who need it most. Unlike other service projects, you can see the need and the impact your work has in the same day. We also meet people we have not met before. The church group we prepared the meal with liked us so much that they took us out for pizza that same night. It's an event that encompasses all three tenants of Circle K: service, leadership, and fellowship.

Luke Neumann- Secretary

Howdy, I'm Luke Neumann and am a freshman pursuing a degree in Civil Engineering with a structural emphasis. I joined Circle K because someone told me to.... thanks Brooke, but I stay in Circle K because everyone is super friendly and it has given me some great opportunities to volunteer within the community. There is a small but important difference between peeing in the pool and peeing into the pool.

Wisconsin Upper Michigan District Convention

Our annual District Convention is a time to celebrate all the accomplishments from this past year from member involvement to outstanding fundraisers. The weekend in Green Bay will be full of food, friends, fellowship activities, service projects, workshops, fundraisers, District Board elections, awards, and more. We are lucky to partially fund 10 members from our club to attend.

This year we have members from our club running for district office. Jess for Capital Lieutenant Governor, Sarah for District Secretary, and Cole for District Governor!

This is the ideal service member body, you may not like it, but this is what peak servitude looks like.
